Cook Less, Relax More

Ready or not, Thanksgiving Day is on its way! We know this year your holiday experience may look a little different than usual. Whether you're getting together with loved ones or dining over Zoom in your PJs, we think this year's Thanksgiving should be a time to relax and unwind.

To help fill out your table, our chefs are serving up multi-serving appetizers, classic Burton's Grill & Bar desserts, and wines & cocktails to go. Perfect for snacking during the football game or supplementing your Thanksgiving meal,

these guest favorites will be a hit at home too. This year, commit to spending less time in the kitchen and more time enjoying the holiday. You deserve it.

Our Thanksgiving Menu pre-orders start today, and end Sunday, November 22nd. Pickup day will be Wednesday, November 25th (the day before Thanksgiving). Items can be picked up hot for eating on the 25th, or cold with instructions for heating on Thanksgiving day.
